

July 2026 — Summer Edition

Summer is here! Here are a few quick updates, reminders, and upcoming HOA news to help everyone enjoy the season and keep our community looking great.

School is out for summer, so please keep an extra eye out for children playing, walking, and riding bikes throughout the neighborhood. Slow down, stay alert, and help keep our community safe for everyone.

Please keep lawns mowed, landscaping tidy, and weeds under control throughout the summer.

After the recent wind event, please take a quick look at the trees on your property for broken branches, leaning limbs, or anything that looks unsafe. Trimming problem areas now can help prevent bigger issues later and keep the neighborhood safe.

Just a quick reminder that RVs, trailers, and boats may only be parked in the community for up to 72 hours. Please plan ahead and move them within that timeframe to help keep streets clear and follow HOA guidelines.

The HOA is excited to host a Concert in the Park this summer, and everyone is invited to join the fun! Bring the family, gather with neighbors, and enjoy an evening of music, food, and community togetherness. The official date and additional details will be announced soon, so stay tuned for more information about this family-friendly neighborhood event.

Please check the HOA website meadowcreek2hoa.com regularly for the latest updates, announcements, and event details.

The next HOA meeting is 6:00pm, Tuesday September 15th, 2026 at Pizza Factory located at 970 N. Main St. Bishop, CA 93514

Thank You
Meadow Creek II Owners Association
